Supplies:

Cotton thread

Scissors

Basic sewing supplies

Interfacing may be needed if the red Santa suit peeks though the white fabric of the beard and trim.

Cutting the patches required:

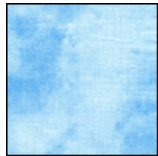

Two methods given:

Templates: The Santa is made from templates. Transfer the patterns to template plastic and use to cut fabric patches required.

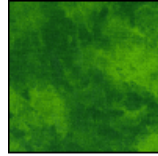

Foundation Piecing: Trees and Pieced Border are Foundation Pieced. Cut fabric 1/2" to 3/4" larger than the patch.

Scraps - Face

8 Patches
1/4 Yard

1 Patches
Scrap - Lips

3 Patches
Scraps - Belt and shoe buckle

14 Patches
Scraps - Tree trunks

Santa Block 22.5" X 15" Finished size

Instructions:

1. Cut paper templates and sort into colors. For Heat and Bond method, cut without seam allowances. To hand appliqué, cut with seam allowances.
2. Body Template D is in three pages labeled: Unit 1, Unit 2 and Unit 3. Print each section and use the registration lines to match the pieces and create the whole piece.
3. Follow package instructions for applying bonding agent to the wrong side of the fabric for each color.
4. Cut pattern pieces from fabric, and put aside.

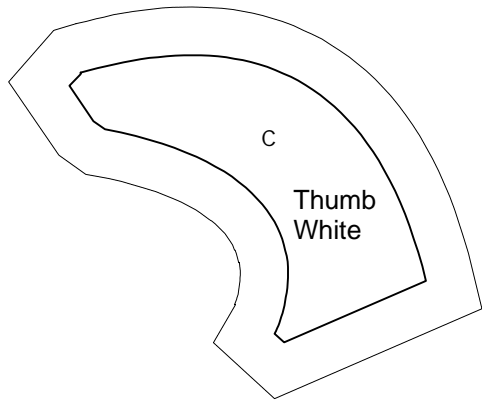

5. Print Santa Outline 1-4, then tape pages together matching registration lines.
6. Cut a piece of plastic sheeting 23" X 16" (optional Step) and mark the lines of the pattern using a sharpie. You will use this sheeting to help you place the pattern pieces in the correct position before sewing or pressing to fuse patches.

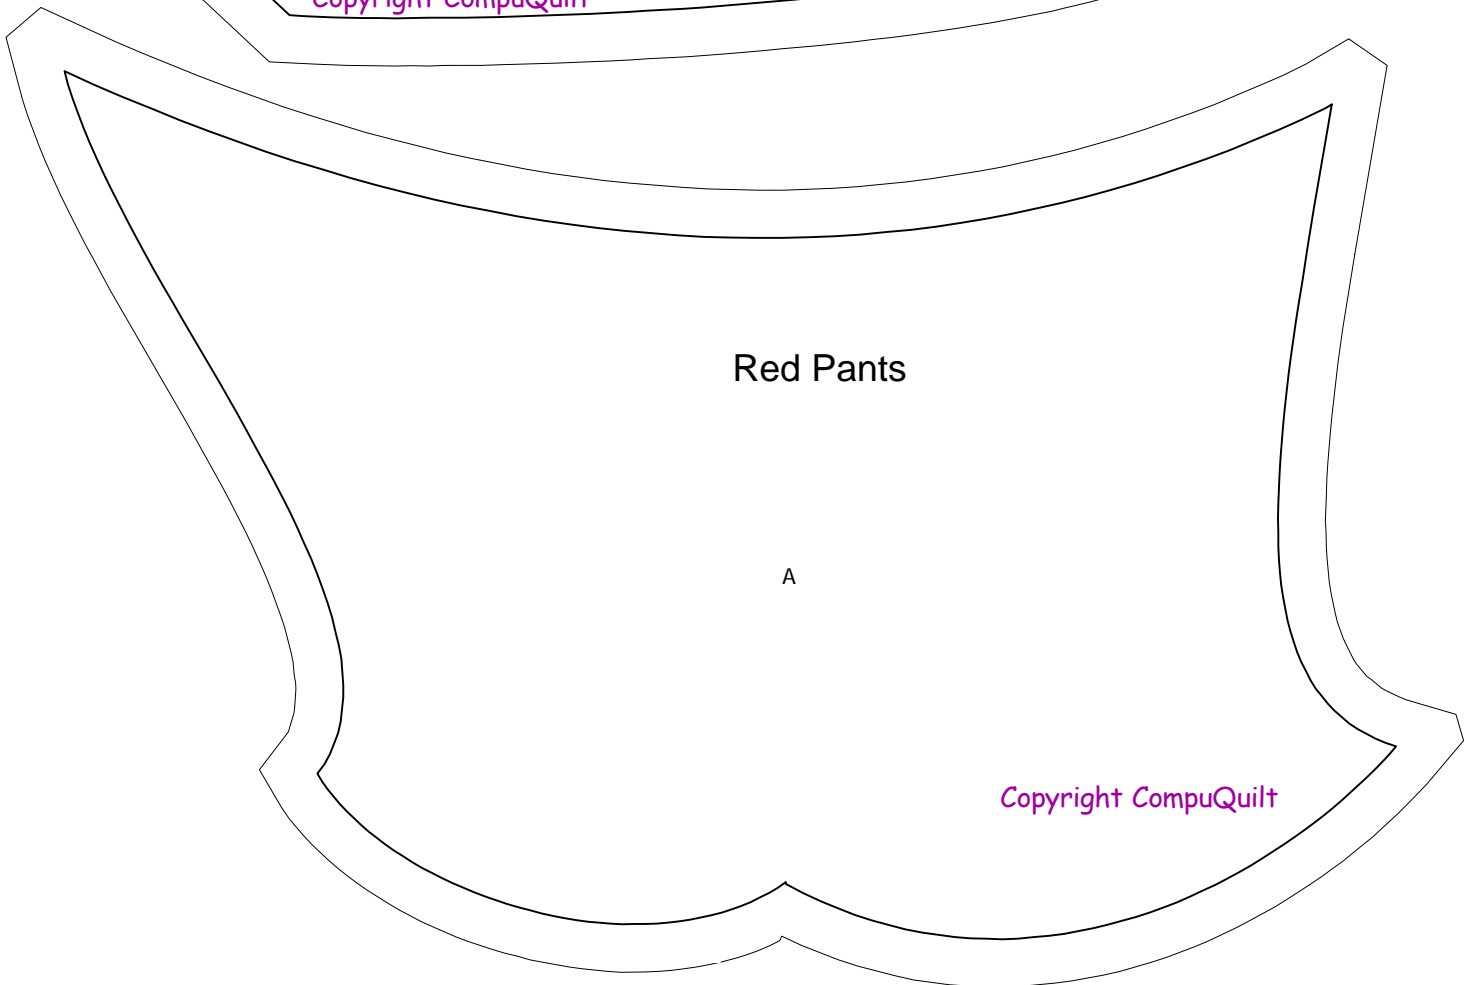

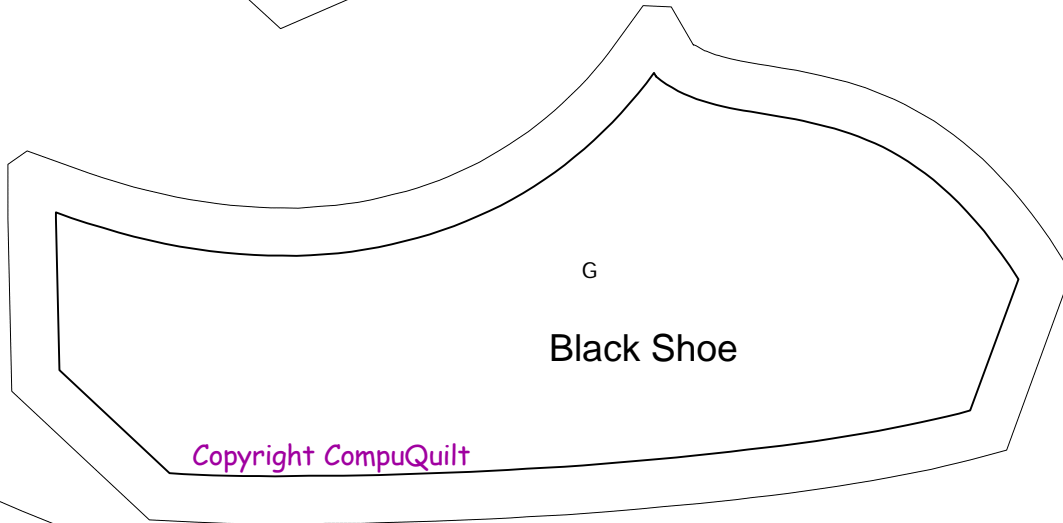

7. Cut your background fabric 23" X 15.5" and place on a ironing pad. Place the plastic sheeting and pin the two together at the top.
8. Beginning with Layer 1, place the pattern pieces under the sheeting and on top of the fabric. The sheeting will help you with proper placement. The red fabric may show under the white fabric. Use a lining, if needed.
9. Remove the sheeting and press or sew the patterns pieces in place.
10. Continue in the same manner until Santa is complete.
11. Sew the fused layers with a blanket or satin stitch.

Caution: Do not place your iron on the plastic sheeting as it will melt and create a huge mess.
